

Windara is a facility that offers employment and training for up to 20 men and women with disabilities of varying degrees of capability. We provide services to Casino and surrounding areas on the North Coast of NSW, where there is a huge demand for vital disability facilities.

Windara provides training and employment across a full range of services, including assisting in the Conference & Function Centre and Cafe, or working in the retail and wholesale Nursery or assisting with our Garden maintenance.

Each person that we train or employ requires supervision, training and support. It is expensive to offer these life changing opportunities. We do receive some government support however it is not enough to provide this essential disability service for our broader community.

If you feel you would like to “Help Windara Grow”, please fill in the details below and pass onto you Payroll Department or your banking provider.
